people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

Silly Bandz (the only one I remember happening and being aware of other than my younger cousin, who is where I know most of the rest of these from...)
(oh wait also) Gangnam Style
And kinda Harry Potter
OH YEAH and MINIONS
Some that I remember a little but didn't have a lasting impact on me:
Chopsticks (that finger game? ~~I still like it~~)
what'sitcalled when those boys would wear their pants like with the waistband around their thighs or something? Sagging? (never saw anyone do this, thank goodness)
Rainbow Loom (it was just kinda there.. just... a thing that existed.)
OK now ones I know from my cousin:
Dabbing (oh my GOOOSHHHHH for a little while [like a week or two] he decided that every time someone tried to high five him he would dab instead??)
Pen Pineapple Pen (was this a fad? I don't know, he said it was but he's unreliable)
Kendama
Beyblades
Other things that aren't really trends?
Bean Boozled (Why???? Who thought of this?? And why do people still buy them??)
Try not to Laugh Challenges
Other try-not-to challenges
Flipping challenges?
